INDEPENDENT ACCOUNTANTS' REVIEW REPORT

To the Board Members of the
Community Care Outreach Center
2352 Hospital Road
New Roads, Louisiana 70760

We have reviewed the accompanying statement of financial position of Community Care Outreach Center (a non-profit organization) as of December 31, 2010, and the related statements of activities, functional expenses and cash flows as well as the schedule of expenditures of federal awards for the year then ended. A review includes primarily applying analytical procedures to management's financial data and making inquiries of the management of Community Care Outreach Center. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

The management of Community Care Outreach Center is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the review in accordance with *Statements on Standards for Accounting and Review Services* issued by the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance that there are no material misstatements that should be made to the financial statements. We believe that the results of our procedures provide a reasonable basis for our report.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with accounting principles generally accepted in the United States.

In accordance with the *Louisiana Governmental Audit Guide* and the provisions of state law, we have issued a report, dated July 7, 2011 on the results of our agreed-upon procedures.

**COMMUNITY CARE OUTREACH CENTER
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2010**

NOTE 1 – NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Community Care Outreach Center (hereafter referred to as the Corporation), a Louisiana non-profit corporation, was incorporated in 1997, and is domiciled in New Roads, Louisiana. It was formed as a community-based facility for disadvantaged, at risk adults and youth. Approximately 75% of the Corporation's support for the year ended December 31, 2010, was derived from federal/state grants and awards. The remaining 15% came from private contributions and fundraisers.

The accounting policies of the Corporation conform to accounting principles generally accepted in the United States of America as applicable to non-profit organizations. The significant accounting policies are as follows:

Method of Accounting

The financial statements of the Corporation have been prepared utilizing the accrual basis of accounting.

Financial Statement Presentation

The Corporation has adopted Statement of Financial Accounting Standards (SFAS) No. 117, *"Financial Statements of Not-for-Profit Organizations"*. Under SFAS No. 117, the Corporation is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets. In addition, it is required to present a statement of cash flows. As permitted by this new statement, the Corporation has discontinued its use of fund accounting and has, accordingly, reclassified its financial statements to present the three classes of net assets required. This reclassification had no effect on the change in net assets in the year it was adopted.

Contributions

The Corporation has elected to adopt SFAS No. 116, *"Accounting for Contributions Received and Contributions Made"*. In accordance with SFAS No. 116, contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support depending on the existence and/or nature of any donor restrictions. Restricted net assets are reclassified to unrestricted net assets upon satisfaction of the time or purpose of the restriction. As permitted by SFAS No. 116, the Corporation has retroactively applied the provisions of this new statement by restating net assets.

Contributed Goods and Services

Contributions of goods in the amount of \$46,696 have been recognized in the accompanying financial statements because all of the criteria for recognition under SFAS No. 116, *"Accounting for Contributions Received and Contributions Made"*, were satisfied. However, services contributed have not been recognized because not all of the criteria for recognition were met.

**COMMUNITY CARE OUTREACH CENTER
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2010**

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Corporation considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents. While separate accounts are not required, the grant agreements executed by the Corporation require that any agency funds co-mingled with funds from other sources be considered entirely public funds. The Corporation does not commingle its funds.

Receivables

Receivables consist of amounts due under federal and state grants/awards as well as amounts due for professional services rendered. The Corporation uses the direct write-off method of accounting for uncollectible receivables. Use of this method is not materially different from the allowance method required by generally accepted accounting principles, as all receivables are considered collectible. For this reason, there is no allowance recorded in the accompanying financial statements.

Property and Equipment

Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated assets to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Property and equipment purchased by the Corporation is recorded at cost. They are depreciated using the straight-line method over the estimated useful lives of the assets. Equipment with an original cost of \$500 or greater is capitalized. Interest during the construction or renovation of long-lived assets is normally capitalized. The earnings on the borrowings reduce this amount during the same period, if any.

Income Taxes

The Corporation is a not-for-profit corporation that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no liability or expense has been recorded in the accompanying financial statements.

NOTE 2 – CASH AND CASH EQUIVALENTS

At December 31, 2010, the Corporation had \$34,402.84 in demand deposits and \$110.18 in interest-bearing savings accounts. Collected bank balances were \$31,295.07, secured through FDIC.
